

## INTRODUCTION

Launched in September 2006, the DPS is a key building block in Hong Kong's financial safety net. Through the provision of a measure of protection to depositors, the DPS contributes to the stability of the banking system. The Board is a statutory body established under section 3 of the DPS Ordinance to oversee the operation of the DPS.

## FUNCTIONS OF THE BOARD

Under section 5 of the DPS Ordinance, the Board's functions include assessing and collecting contributions payable by Scheme members, managing the DPS Fund, making payments to depositors in the event of a failure of a Scheme member and recovering payments made to depositors from the assets of the failed Scheme member.

## PERFORMANCE OF FUNCTIONS THROUGH THE MONETARY AUTHORITY

Pursuant to section 6 of the DPS Ordinance, the Board shall perform its functions through the Monetary Authority (MA) unless indicated otherwise by the Financial Secretary (FS). This means the MA will act as an executive arm of the Board in administering the DPS.

The HKMA has assigned a team of staff to assist the Board in discharging its functions. The team is headed by an Executive Director of the HKMA, who is designated as the Chief Executive Officer of the Board. The HKMA also supports the Board on aspects such as accounting, administration, human resources and information technology. Detailed arrangements regarding the extent of support provided by the HKMA are set out in a Memorandum of Understanding between the two organisations.

## COMPOSITION OF THE BOARD

Members of the Board are appointed by the FS, with power delegated from the Chief Executive. They come from different professions such as accounting, banking, consumer protection, insolvency law, investment, information technology and public administration. The Board currently comprises eight members including two ex-officio members representing the MA and the Secretary for Financial Services and the Treasury.
